

**Flu Shot –
right at school.
Now available
for Franklinton High
School students.**

Would you like your student to receive their flu shot at school?

- YES.** I would like my student to receive the flu shot at school from the Nationwide Children's Mobile Care Center on ***Wednesday October 12.***
- Parents will receive a call for additional consent before their student receives vaccines.
- NO.** My student will receive required vaccines from our family doctor or at another location of my choice.

**Please return this form to school by Monday October
4th.**
